Samostojeće kade Aquaart predstavljaju poseban estetski detalj za vašu kupaonicu, postajući bitan element koji odražava vaš stil. Kolekcije su dizajnirane poštujući ergonomske standarde koji omogućuju dugotrajno kupanje. Priuštite si vrhunski doživljaj opuštanja u svojoj kupaonici godinama koje dolaze. U proizvodnji koristimo samo najkvalitetniji 100% čisti akril (PMMA). Kade je moguće obnoviti od svih vrsta oštećenja te nema opasnosti od promijene boje. Površina ima antibakterijska svojstva te možete biti sigurni i potpuno uživati u svom opuštajućem iskustvu. Uz minimalističku estetiku koja poziva na povratak jednostavnosti, samostojeće kade savršen su izbor za svaku kupaonicu.

Aquaart freestanding bathtubs are a special aesthetic detail for your bathroom, becoming an essential element that reflects your style. The collections are designed respecting ergonomic standards that allow for long-lasting bathing. Treat yourself to a superb experience of relaxation in your bathroom for years to come. In production we use only the highest quality 100% pure acrylic (PMMA). Bathtubs can be repaired from all types of damage and there is no danger of discoloration. The surface has antibacterial properties and you can fully enjoy your relaxing experience. With a minimalist aesthetic that calls for a return to simplicity, freestanding bathtubs are the perfect choice for any bathroom.

Mit unseren modernen freistehenden Badewannen Aquaart machen Sie aufmerksam auf ein besonderes ästhetisches Detail in Ihrem Badezimmer, das Ihren Stil beibehält. Die Kollektionen sind unter Berücksichtigung der ergonomischen Standards entworfen, die das Langzeitbaden ermöglichen. Gönnen Sie sich ein herrliches Spannungserlebnis in Ihrem eigenen Badezimmer für viele Jahre. In der Produktion verwenden wir nur 100% reines Acryl (PMMA). Es ist möglich, alle Arten von Schäden zu reparieren und es besteht keine Gefahr der Farbveränderung. Die Oberfläche hat antibakterielle Eigenschaften, damit Sie ohne Sorgen genießen könnten. Mit einer minimalistischen Ästhetik, die eine Rückkehr zur Einfachheit fordert, sind freistehende Badewannen die perfekte Wahl für jedes Badezimmer.

Glow Right/Left

Održavanje svakodnevne higijene je neophodno, a ulazak ili izlazak iz kade može biti nezgodan. Zato je Glow odlično rješenje za udobnost u svakoj životnoj situaciji jer integrira individualne potrebe pojedinca i vrhunski dizajn.

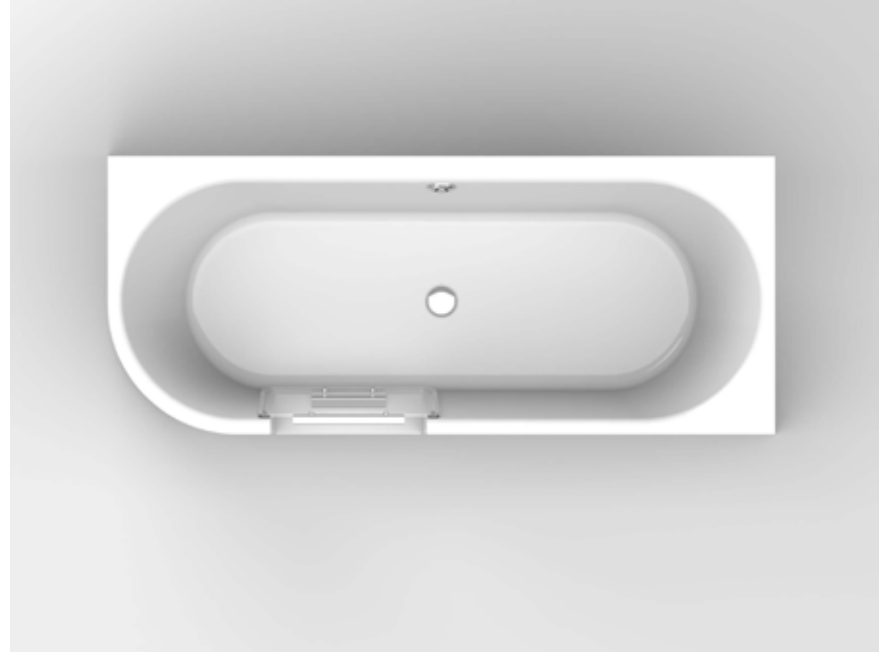

Maintaining daily hygiene is essential, and getting in or out of the bathtub can be inconvenient. That's why Glow is a great solution for comfort in every life situation because it integrates the individual needs and superior design.

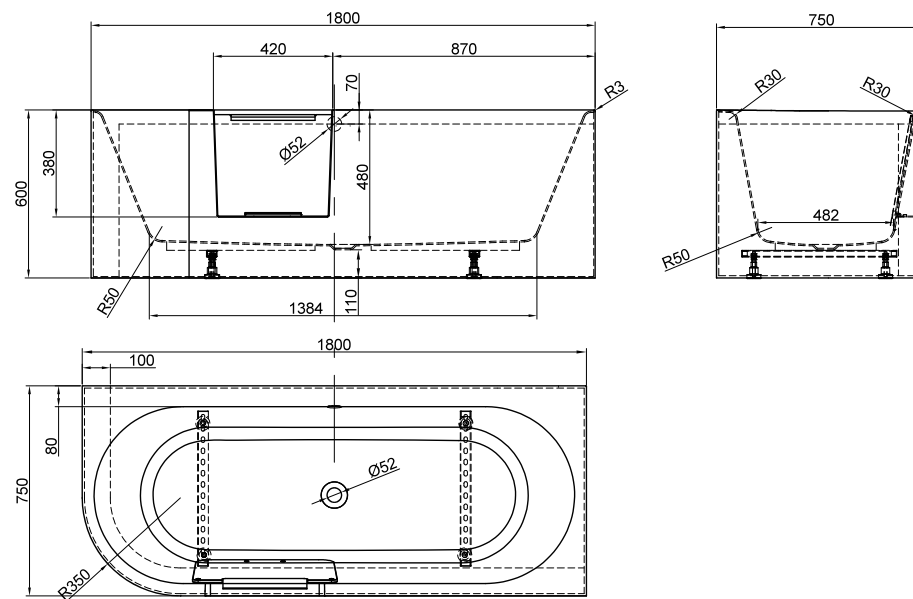

Die Aufrechterhaltung der täglichen Hygiene ist wichtig, und das Ein- und Aussteigen aus der Badewanne kann unbequem sein. Deshalb ist die Badewanne Glow eine großartige Lösung für Komfort in jeder Lebenslage, weil es die individuellen Bedürfnisse und hochwertigen Designs integriert.

Neat Wall

Odvažna i moderna postat će središnja točka vaše kupaonice. Oštri bridovi olakšavaju montažu i svakodnevno održavanje. Kupanje čini bezbrižnim jer njena čvrstoća stvara osjećaj sigurnosti.

This bold and modern bathtub will become the focal point of your bathroom. Sharp edges make installation and daily maintenance easier. Bathing feels carefree because its firmness also creates a sense of security.

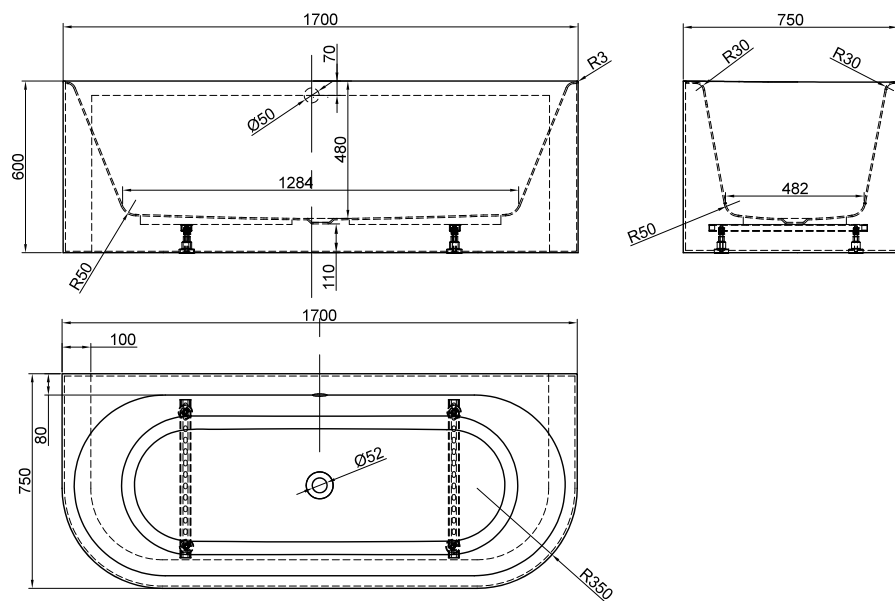

Diese Badewanne beschreibt den Charakter Ihres Badezimmers. Scharfe Kanten erleichtern die Installation und die tägliche Wartung. Das Baden wird unbeschwert, weil eine höhere Festigkeit der Wanne auch ein Gefühl der Sicherheit gibt.
